1. Admission is \$2.00 per adult.
2. The first matches will start at first scheduled time, then all other matches will begin after warm ups, and not necessarily at the scheduled times.

Prizes will be given to 1st and 2nd place teams in each division. The league will now run for 7 weeks due to the number of teams and to make sure that each team gets their points expected, last night of this session will be 3/9/20.
4. First match warm up is 1 minute shared ball handling, 2 minutes serving team, 2 minutes receiving team, then 1 minute shared serving-each consecutive match for the same age group will not have a warm up.
5. The league's objective is to teach the game and have FUN!
6. Each team MUST supply a parent line judge, and a parent score flipper. Referees are provided to maintain basic court rules, ensure warm ups/courts run on time.
7. Net Heights are as follows: Youth- 6'0, Middle School 7', Junior High 7'4 1/8"
8. All levels will be scored with Rally scoring.
9. All volleyballs will be provided.
10. There is no designated area for teams to "camp" since matches are generally back to back, or only one break.
11. Please make sure all players bags, coats and gear for players are placed on the silver racks provided.
12. It is a good idea to bring your own chairs, as there are not enough seats for everyone.
13. Serving: Middle School is the short line as marked. For the Middle School Division, after player's third consecutive successful serve, the serving team will rotate and the serve will move to the next player on the serving team.
14. Please ensure your players and parents pick up any trash, water bottles and personal items-this keeps our costs down.
15. Liberos may only be used at The High School division.
16. Good Sportsmanship is the key for all participants and their families!
17. If you have any questions, kindly call Dana Hooper at 419-261-0067, or email her at dahooper@roadrunner.com
